Life and Times at Sho Mai Sou Shiba Inu

Sho Mai Sou Dog Visits

We welcome and enjoy visits to meet our dogs. Do to COVID-19 we have transitioned most of our dogs to our climate-controlled shop. We only accept visits from people on our "Short List." We are looking forward to lifting the restriction.

Sho Mai Sou Approved Homes We get a lot of applications each day. More than we can process, so we ask that you only apply for a puppy if you meet the following criteria (questions, email, call or message us):

1. House with fenced yard (or apartment/townhouse/condo with fenced yard).
2. Citizen of the United States or Permanent Resident status.
3. 18 yoa or older.
4. You are you comfortable with a \$2500 - \$5000 price range.
5. We prefer active homes that are involved in AKC/UKC conformation, dog sports such as CAT/Fast CAT, Agility, Obedience, Scent Dog etc. We especially like to see our dogs go into homes that have children who plan or are currently participating in 4H and/or AKC Juniors with their dog(s) and/or have previous experience with Shiba Inu.

Litter Plans / Adult Dogs

Bella Bravo Litter The [Kuzya](#) X [Bella](#) Bravo litter was born in the afternoon of 12/25/2020. There were 4 puppies (2 male 2 female). 2 sesame males, a black & tan female, and 1 red female. Some of them we were unsure about when born. We usually DNA anything that we decide to keep, but in this case, we did DNA on the complete litter. (DNA swabs submitted to Embarkvet.com 1/2/21 and results back 1/25/21). We are happy we exceeded the goals of this mating by taking our breeding program forward with sesame lines. If you are interested in the complete results I shared a public link to each one but I summarized part of the coat color characteristics for each puppy.

1. *Red Girl #1 - Joy ayat EE*

2. *Black and Tan Girl #2 - Noel atat Ee (carries the recessive cream gene).*
