New Dogs at Shomaisou Shiba Inu

Introducing "[Morningstar-Gaylord My 'Gift' To You](#)." Gift arrived in January from Oregon. Her mother is [Style](#), who was from our first Star-Lord X Kimi litter of three red girls in 2015. Style was pick of the litter, chosen by our breeder and mentor, Joan Morningstar. The sire to Gift is a beautiful imported red sesame boy named [Kuro](#). We are thrilled to have this girl in our future breeding. She joins Chupa as one of the best temperaments that live here. In March we welcomed [Kuro](#) to visit us for a few months, standing at stud.

Visits of our dogs We restrict visits to our home to people that are on our "Approved Homes List," I added a page to my website called [shows](#). You are welcome to visit us and our dogs at one of the shows.

Litter Plans / Adult Dogs

See our [Daily Puppy Stats](#) and [Live Puppy Cams](#).

Chupa Charlie Litter – The [Chupa](#) Charlie litter is being planned. Two sires are under consideration. They are [Kuro](#) and [Picasso](#).

All 4 puppies from the Chupa Bravo litter went to K9 Level Up in MI for [Puppy Preschool](#) for at least three weeks, some stayed longer.

Pretty Kitty Bravo Litter – The [Guccifer](#) X [Pretty Kitty](#) Alpha litter was born October 27th; one red boy and one black & tan boy. Kitty is a leased girl and will be staying with us for one more litter. Update: Kitty came in season mid-April so we are planning a late June litter now.

Check back often on these newsletters for updates.

Adults To Approved Home (Selection process for our adult and retired dogs is stricter than the selection process for our puppies).

You may apply to be one of our homes at <https://www.gooddog.com/breeders/sho-mai-sou-victory-dancing-kennels-ohio/application>.

New Early Socialization Partnership

K9 Level Up partnered with **Shomaisou Shiba Inu** to offer you the opportunity to enroll your puppies in Puppy Preschool for extra training before they go home. **Shomaisou** will arrange to transport them to Grand Rapids, MI (600 mi round-trip). [See More Details](#). Update: We intend to send all our litters to K9 Level Up at 5 weeks to 8 weeks. If the new home wishes to extend their time there, they will need to contract with K9 Level Up. The week 5 through 8 training will be included in the Shomaisou price. There will be exceptions, for example we will be out west from June to December and those litters will be whelped in the RV so it is unlikely the whole litter will go there. Puppies from three of our litters have been successfully trained at K9 Level Up.

Vaccination Protocols and Health Guarantee The Shiba Inu is closely related to the Japanese wolf and is a primitive breed (very high on the [wolfiness scale](#)). We recently updated our [Vaccination Protocols](#) and [Health Guarantee](#) that is part of every Shomaisou contract. We hope this information is helpful for all Shiba homes when making vaccination decisions for your dogs.
