Shomaisou Shiba Inu

Preferred Breeder of Shiba Inu

In April 2024 Good Dog announced and in May implemented their Preferred Breeder Program. On June 6th we learned that Shomaisou Shiba Inu was awarded Preferred Breeder status. Each month breeders on Good Dog must meet criteria to remain as a Preferred Breeder. We are happy that we have been listed as a Preferred Breeder since June 2023. Preferred Breeder status is indicated by the star on our profile at <https://shomaisou.com> or <https://www.gooddog.com/breeders/shomaisou-shiba-inu-ohio>

Adults To Approved Home (Selection process for our adult and retired dogs is stricter than the selection process for our puppies).

[Bella](#) is a very bold, proud, calm, and affectionate girl around people, but has moderate dog aggression, especially female on female aggression (no resource guarding with people or male dogs). Bella looks forward to and deserves to have 1 on 1 attention for the rest of her life (We would prefer homes with previous Shiba experience but not required) There should be no other dogs living in the home. Bella has no known health issues. At 4 1/2 years young she has many great years to give (Life expectancy 12 – 16 years). We encourage you to look at our FAQ at http://shibas.dog/PDF/ShoMaiSou_FAQ.pdf and most recent newsletter at <http://shibas.dog/newsletters.html>. Additional info including pedigree and health testing can be found at <http://shibas.dog/bella.html>. Her last litter will be born in October. After the pups are weaned, she will be spayed and available for her new home. You may apply to be one of our homes at <https://www.gooddog.com/breeders/sho-mai-sou-victory-dancing-kennels-ohio/application>.

[Style](#) (Morningstar We Never Go Out of Style) was whelped by me in 2015. She was pick of the litter in a litter of 3 girls. As part of an agreement with my breeder in Oregon, I flew with her in coach to California where she was delivered to her at a dog show. Style has lived with my breeder and mentor and has been a very influential part of her breeding program. Style recently had her last litter in Oregon, and we are searching for the perfect forever home for her after the puppies are weaned. We prefer that our adult dogs go into homes where there are not pets and with older adults, so they are the center of attention. Style is currently in Grants Pass, OR.
