### Puppies Available to approved homes

- We bred **Kimi** April 15, 2019 to sire from outside of our kennels. I have updated the [online spreadsheet](#). Estimated whelp date is 6/16 and **estimated go home date 8/24/19**. Meet the sire, **Redd**.
- We plan a litter with **Ayumi** September 2019. Sire is undetermined, but we are considering **Guccifer** in July. **Estimated go home date for this litter is 11/20/19**.

### Adult Shiba's Available to approved homes

- We bred **Shake** (red) April 18, 2019 to **Redd**, but she did not take. This is the 2<sup>nd</sup> artificial insemination we have done on her without any pregnancies. We made the hard decision to retire this AKC Champion from our breeding program. She is now available to a companion home. We are in the process of pulling our applications that indicated that they were interested in an older Shiba. If you are interested in her let us know and we will let you know the details.
- **Kitt** (red) is an older adult male that is also available to an approved show home. If you are interested in Kitt, let us know.

## Dog Food Recommendations

We recently learned that Costco's Kirkland brand dog foods are rebranded from Diamond. We are feeding some of this to our boys on a trial period. More info can be found in our [FAQ](#).
