Life and Times at Shomaisou Shiba Inu

Each month we update our newsletters multiple times, so check the date on the newsletter to know when it was last updated.

Visits of our dogs We restrict visits to our home to people that are on our "Approved Homes List," I added a page to my website called [shows](#). You are welcome to visit us and our dogs at one of the shows.

Litter Plans / Adult Dogs

Bella Echo Litter – We are deciding on homes for the 2 boys from the Bella Echo Litter born on 8/1/22 in Wyoming. One (1) black and tan boy and one (1) red boy are available. The B/T has temp name of Bridger and Red has temp name Carter. DNA profiles can be viewed from their litter page at <http://shibas.dog/BellaEcho.html>.

Kimiko Bravo Litter – A [Kimiko](#) breeding was completed with [Kuzya](#). The litter is expected around January 2, 2023. [Genetic Color Forecast](#)

Aki Alpha Litter – We are planning an [Aki](#) Alpha Litter for January 2023.

Bella Foxtrot Litter – We are planning a [Bella](#) Foxtrot Litter for January 2023.

Michi Delta Litter – We are planning a [Michi](#) Delta Litter for March 2023.

Adults To Approved Home (Selection process for our adult and retired dogs is stricter than the selection process for our puppies). No adult dogs are currently available, but Bella will likely be retired in late 2023.

We travelled in the RV to Kansas to complete our Kuzya X Kimiko breeding in October/November. We were pleasantly surprised when we realized that [Katsumi](#) (the sire to our [Guccifer](#)) had been relocated there from his Oregon breeder (I knew this but had forgot). It was nice to get to see and interact with this sweet boy at the end of his breeding career. [Katsumi](#), we wish you a long and happy life when you go to your forever home at ten (10) years old.
